EXPERIENCE

Operations Team

2018 to 2019 | Emirates Post (Empost Division)
– Dubai, U.A.E

Although working in Emirates Post was temporary contract position, it has enabled me and given me the advantage to be more dynamic, gain knowledge on the logistic career fields and widen my career opportunities.

- Calling customers over the telephone for dispatching shipment.
- Updating client records in the EPG software system.
- Preparing shipment for delivery and handing it over to the delivery dept.

IT Support

2015 to 2018 | Sherwoods Real Estate
– Dubai, U.A.E

I was mainly hired as an IT Support/Admin but, really got exposure to other working fields as well such as supporting the HR and the accounts department.

- Setting up new employee's Email, Outlook and desktop workstation.
- Resolve issues related to Windows, network connectivity, as well as problems associated with software and hardware errors.
- Installing software applications, hardware peripherals and devices, update software and hardware drivers as needed, upgrade computers.
- Company website's domain and hosting subscription renewals.
